

AGREEMENT FOR THE PARTICIPATION IN THE COLLECTIVE BIOGRAM WORK

The participant declares to know in detail all the features of biogram, agreeing to participate in the project and also accepting all the conditions specified in this Agreement. The participant is also aware of exemption of the Entretantos Collective, or any other entities acting under its license, from any liability caused by the project development.

CONDITIONS

1. Biogram is a collective work created from individual contributions. A collective work is the fusion of works by various authors and it is not possible to attribute separately to either of them any right on the set of the total work performed. Therefore, the different editions of Biogram chapters will be done anonymously, so there will be no mention or recognition of individual authors.
 2. The participant will send images related to the chapter in which oneself wants to participate to Entretantos Collective within the deadlines which can be found at www.biograma.net. It is also necessary to follow the rules of participation. The images must be sent by the Application form from www.biograma.net accepting the rules of participation and the agreement of participation documents.
 3. Once the images have been submitted, the participant expressly waives to any material or economic right on them within the context of the Biogram project, whether the participant can be considered author of them. The participant waives to any right of use such as publication, reproduction, distribution or others by any means, without prejudice to any moral rights recognized by law. In consequence, the act of sending images to Entretantos Collective, implies full acceptance of these conditions. Entretantos Collective cannot sell individually any work from Biograma.
 4. The participant can act with total freedom in choosing the contents of each of the images that make up its proposal to the Biogram Chapter that takes part, exempting Entretantos Collective from any civil or criminal liability in case of the images are considered illegal or violate the laws established in different states where occasionally Biogram Project can be developed.
 5. Entretantos Collective as author and director of the project, is committed to follow each stage of the project, which are specified in Rules of participation and that itself, or anyone associated to the project will notify publicly or privately, in writing or verbally, to the signing of this Agreement to anyone interested in participating in the project.
 6. In order to resolve any controversy or dispute arising from the interpretation of this Agreement, or by the development of the project or result of this, the parties, waiving their own jurisdiction if case, are expressly subject to the jurisdiction of the Courts of Madrid and exclusively to the laws applicable in Spain.
- In consequence, the acceptance of the Application Form implies the embracement of those requirements.
